

Offshore Wireline Operator

Employer

Schlumberger Denmark

Position

Wireline Operator

Application Deadline

22.03.2022

For Schlumberger we are looking to strengthen our team and are hiring a Wireline Operator .

By joining our team, you will be embarking on a unique journey with the world's leading provider of technology to the global energy industry.

The skills outlined below set the scene. We welcome applications from aspiring talent and seasoned experts alike!

This is an office position working out from Esbjerg.

Job Description:

The Wireline Operator does hands-on fieldwork with the industry's leading technology that optimizes solutions for energy companies. The primary responsibility of a Wireline Operator is to deliver high quality services to our clients. The operator is directly responsible for the quality of service delivered at the wellsite, in terms of safety, quality and efficiency of operation being up to standard. The Wireline Operator will partake in intensive Schlumberger Wireline technology and systems training programs upon hire, to ensure they are aligned with the technology and process Schlumberger has developed through its unrivaled global experience. Training will be an offer to learn advanced Slickline and Wireline Technologies and develop competencies in line with the ambition of the successful candidate.

Qualifications and/or Experience:

- Preferred 2+ years of experience with Wireline
- Petroleum, Mechanical, Electrical Education - or relevant work experience
- IWCF level 3 certification is mandatory

Key Skills:

- Service minded attitude
- Excellent verbal and written communication skills English
- Actively lead Slickline operations offshore

People management skills:

- Strong problem-solving skills
- Strong computer skills and ability to learn new software quickly
- Detail oriented

We can offer:

- International working environment and career opportunities through the Schlumberger system
- Opportunity to learn and grow within the company
- Good working environment

- Competitive salary and benefits

Interested?

Please apply for this position as soon as possible and no later than 01.04.03.2022 by submitting your CV, application and education documents to OpusConnectSupport@slb.com

By submitting your CV, you indicate your consent for Schlumberger to process your personal details in relation to potential job vacancies. Your details will be processed in accordance with the Data Protection Act 1998.
