

## **We are hiring to our HSE department!**

For Schlumberger Danmark ApS we are looking to strengthen the HSE team locally in Esbjerg due to increasing activity.

The HSE specialist is responsible for supporting local management in establishing and continuously improving Health, Safety and Environment (HSE) culture within the worksite.

### **Responsibilities**

- Develop managers' awareness and ensure HSE is an integral part of line management responsibilities and objectives.
- Assist line managers with:
  - Understanding and implementing the HSE Management System
  - Monitoring HSE objectives and compliance to policies
  - Liaising with local contractors and agencies regarding HSE
  - Assessing local risks and analyze HSE trends for the location
  - Preparing HSE plans and support in investigations of failure and accidents.
  - Advise management on local HSE compliance with Schlumberger, local and host country regulations.
- Coordinate and participate in screening and HSE training of personnel, including contractors.
- Keep abreast of new documentation and training material related to HSE and inform management accordingly.
- Ensure that HSE documentation is updated and available onsite.
- Follow up on HSE reports.
- Develop and maintain a high level of awareness among all personnel through communications, training and promoting active involvement in HSE programs.

### **Qualifications and/or experience:**

- A bachelor or master's degree in HSE Engineering, fire safety or anything familiar with industrial safety.
- Good knowledge in HSE control systems
- Basic IT knowledge, Office-package.
- Must have excellent verbal and written communication skills in English

### **Personal skills:**

- You are outgoing, independent and have good social skills
- You must be able to work under pressure and deliver quality assurance in your work
- You like teamwork and have the right attitude towards your coworkers and suppliers
- You are proactive and structured with the eye for the details
- Good communication skills are highly valued

### **We can offer:**

- International working environment and career opportunities through the Schlumberger system
- Opportunity to learn and grow within the company
- Good working environment
- Competitive salary and benefits

## **Interested?**

Apply as soon as possible, but no later than 25.03.2022 by sending your CV to [Opusconnectsupport@slb.com](mailto:Opusconnectsupport@slb.com)

Please mark your application with position title.

Please include CV, Application letter and graduation documentation with your application.

By submitting your CV, you indicate your consent for Schlumberger to process your personal details in relation to potential job vacancies in accordance with the Data Protection Act 1998.
